SKILLS

- Project Management
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- French
- German

HOBBIES

Comedy, Sports, Reading

REFERENCE

Prof. Dr. Peter Winker

Full professor of statistics and econometrics, – Justus Liebig University Giessen
peter.winker@wirtschaft.uni-giessen.de

PROFILE

Data science student focused on modelling, analysing and visualising numerical and text data for prediction and pattern recognition. Driven by devotion and perseverance.

EDUCATION

- Master in Data Science** Oct 2023 – Nov 2026
Justus-Liebig-Universität Gießen
- German as a foreign language** Nov 2022 – Mar 2023
Philipps-Universität Marburg
- German as a foreign language** Sep 2020 – Nov 2022
Goethe-Institut, Cameroon
- B.Sc. Computer Science** Oct 2017 – Aug 2020
University of Dschang, Cameroon

EXPERIENCE

- Master's Thesis** May 2026 – Nov 2026
Justus-Liebig-Universität Gießen – JLU Gießen
 - Investigated how immigration discourse relates to economic conditions in Germany using NLP (Doc2Vec, custom dictionaries), LLMs and a VAR model.
- Research Intern – NLP & Data Science** Oct 2025 – Feb 2026
JLU Gießen
 - Developed an automated NLP pipeline to measure fiscal-policy sentiment in parliamentary debates using Python, Apache Airflow, Docker, and PostgreSQL.
- Internship** Nov 2024 – Jun 2025
Center for Materials Research, JLU Gießen
 - Developed an ML-based method for early cancer detection from Raman spectra, using PCA, UMAP, and k-means clustering for dimensionality reduction and pattern identification in biological samples.
- Private Tutor – Mathematics & Computer Science** Sep 2020 – Sep 2022
 - Provided private tutoring in mathematics and computer science to high-school students.
- Bachelor's Thesis** Oct 2017 – Aug 2020
University of Dschang, Cameroon
 - Developed a React Native mobile app for campus services, including canteen purchases and bus-ticketing, with Firebase backend integration.
